EXPLORE

A Little about the Aqua Cat experience:

This is the ultimate escape aboard your own private luxury yacht. Imagine sinking your toes into sugar sand, snorkeling or diving among the lemon sharks and sting rays, or hiking the trails of pirates and bootleggers of years gone by.

We offer a large variety of dives; shark feeding dives, blue holes, high speed drift dives, walls and shallow patch reefs. Each week we cruise from Nassau, Bahamas to the remote islands of the Exumas, and especially the Exuma Cays Land and Sea Park, the most pristine area in all the Bahamas.

You will have a great time exploring the 200 mostly uninhabited islands with their many beautiful beaches in the northern Exumas. The Aqua Cat has a 28' launch that can take you to isolated beaches where you can sunbathe, explore, kayak, snorkel or fish.

The Aqua Cat offers luxury accommodations, a spacious main salon and an extremely smooth ride. The Aqua Cat cruises at a speed of 14-knots getting you to the uninhabited islands of the Bahamas and dive

sites quickly while her 35-ft beam will ensure a smooth ride. The eleven passenger cabins are some of the largest of any liveaboard in the world with their own private bathroom and shower.

Let Aqua Cat be your floating resort while on your adventure vacation with captain and crew at your service.

COME EXPLORE, SHARE, AND DISCOVER....

The Aqua Cat offers many activities besides scuba diving, like snorkeling, kayaking, hiking a nature trail, sunbathing on a deserted beach or fishing. You will have a great time exploring the 200 mostly uninhabited islands with their many beautiful beaches in the northern Exumas. The Aqua Cat has a 28' launch that can take you to isolated beaches where you can sunbathe, explore, kayak, snorkel or fish.

You will enjoy feeding and photographing the iguanas on Allan's Cay. You can visit the headquarters of the Exumas Land & Sea Park on Warderick Wells and explore the many trails. You can also kayak the creeks that meander through Shroud Cay. These creeks are nurseries for many varieties of fish and sharks. For those interested in bird watching, the Exumas are a nesting area for many species of seabirds including White-Tailed Tropicbirds, Audubon Shearwaters, Brown Noddies, and Bridled and Sooty Terns.
